

This is certify that we availed services of Aegis Software for web development and maintenance. Aegis designed and developed our website. It has been involved in routine testing and maintenance work ever since.

In our interaction with the team Aegis, we found the team to be extremely talented and professional. They have been creative in designing, practical in implementing, and agile at problem solving. They created the website that we wanted and also enhanced it with their expert domain knowledge. They have been punctual and reliable in all our dealings.

We wish them all the best in their future business dealings and highly recommend them for their professional web development and maintenance services.
